INSTANT ENERGY, INSTANT LAUGHTER, INSTANT PHOTOS!

The energy is beyond belief. Black Tie Photo Booth simply electrifies any event. If you're like all the other clients we've worked with, you want your guests to have the time of their life.

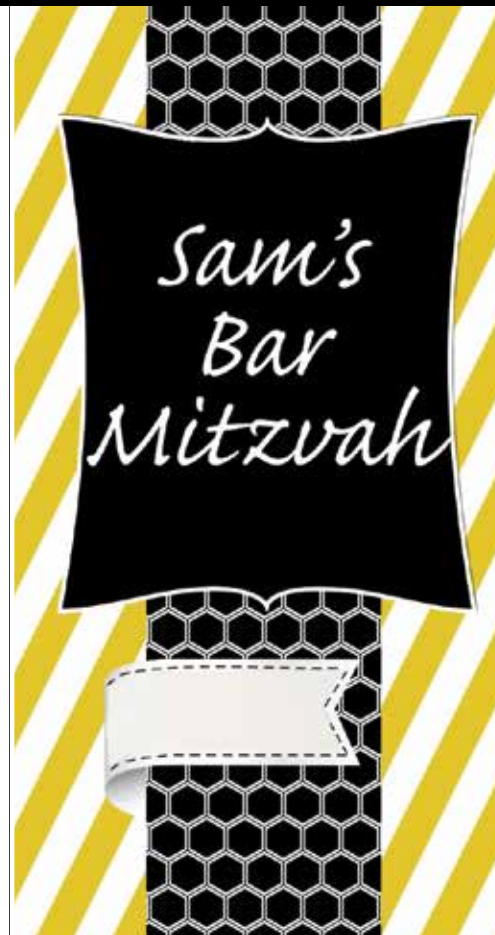

Even more you want them to remember your event as the best they've ever attended.

Black Tie Photo Booth makes the difference. Nobody stays in their seats. You'll love the way they're talking and laughing and just plain having fun.

I'll make you a bet: I bet the photos your guests take home from your Photo Booth end up in scrap books, photo albums, and even on refrigerators.

Your event will be the one everyone remembers.

"Black Tie Photo Booth is simply amazing."

Our Photobooths create instant memories, laughter and fun.

Your guests will immerse themselves in creative, memorable fun. Black Tie will make your events successful because they create interactive fun that is recorded on the spot forever. Your guests will go home with some of the best candid photos they've ever seen of themselves. Plus, you get to take home a scrapbook full of wonderful memories.

HERE IS HOW IT WORKS...

Pictures come out in two rows of identical photo strips. Your guests receive one strip and take it home as a party favor. We then put the other strip into a memory album (scrapbook). Your guests personalize it with a note to you. They will love it and this will become one of your most treasured keepsakes.
